

Final Exam Information and Review Packet

- You may take the final exam Wednesday, Thursday, Friday, or Saturday. (7/12-7/17)
- You should bring with you:
 - Pencil,
 - calculator,
 - compass,
 - protractor,
 - ruler,
 - 1 handwritten (by you!) 4"x6" index cards

Everything else, including cellphones, should be in a closed bag or left at the front of the classroom.

- Most of the questions are Multiple Choice Questions. Many of these questions will be taken directly from this Final Exam Review Packet given to you. *You will be expected to show work on some Multiple Choice questions (These questions will be indicated.)*
- You should also expect construction(s) and fill-in-the-blank proof(s) questions.
- To prepare for the test, you should re-read all of your notes (TTK, Discussion Questions, Team Problems, Activities, Homework) and work carefully through the multiple choice questions in this packet.
- Our last class on Tuesday, July 12th, will be a review session. (Attendance is optional.)
- Read and sign the Honor Pledge on the Cover Sheet before turning in your exam.

Final Exam Bonus Deal:

- Please complete the Student Opinion Form for this course. You should have a link in your school email. It is also available on the MyAACC Portal.
- Student Opinion Forms are anonymous, and I do not see the content of the surveys until after I have submitted final grades. Until that date, I have access only to the percentage of students who have completed a Student Opinion Form.
- If 80% of the class completes a Student Opinion Form, I will offer you the following Final Exam Bonus Deal:
 - 5 points will be awarded to the whole class.
- If 100% of the class completes a Student Opinion Form, I will offer the following Final Exam Bonus Deal:
 - 10 points will be awarded to the whole class.
